Be sure to:

- Store cell phones and I-Pods in your backpack or locker during class. School policy says that a teacher may confiscate these devices for a parent to pick up from the office if you persistently bring them to class. The school / district are not responsible for lost or stolen materials.
- Bring **only water** bottles to class (**no food or candy**). **Gum** will be allowed, however, if it becomes an issue, it will be banned from this classroom!

Plagiarism:

Cheating or plagiarizing (using another’s words or ideas without crediting the source) is not allowed. Plagiarism and/or cheating will result in an automatic “F” for the assignment—not just for you but for the person who allowed you to copy his/her work too. In addition, a parent/teacher/student meeting will be arranged to discuss the issue. A second offense could result in loss of credit for the entire course.

Required Materials: One three ring binder, college ruled notebook paper, Spiral Notebook (one will be provided, additional will be the student’s responsibility), pens with blue or black ink and pencils. Other colored pens may be used for editing purposes only; please no colored ink as a primary writing implement as it is difficult for me to read.

Personal Assistance: If you need help with English assignments outside of class please make an appointment with me. I am here to help you in any way I can. I will give you every opportunity to succeed in this class.

Safety: If there is a fire drill you will exit the classroom and building and go to the field behind the computer lab until we receive the signal that it is safe to return to the classroom. If there is a lock down situation you will need to remain in the classroom or other secure area in the building until we receive notice that it is safe to leave campus.

Evaluation/Performance Expectations: Grades are determined by points earned through assignments, tests, projects, and discussions. **Every assignment is worth points!** The grade breakdown follows a traditional percentage scale:

100-97%= A+	89-87%= B+	79-77%= C+	69-67%= D+	59-0%= F
96-93%= A	86-83%= B	76-73%= C	66-63%= D	
92-90%= A-	82-80%= B-	72-70%= C-	62-60%= D-

Late Assignments/Make up work: It is your responsibility to remain current with all assignments!

If you have an excused absence, you have the same number of days that you were absent to turn in work assigned while you were absent for full-credit.

- You may visit my webpage at mrshohnstein.weebly.com find your class and scroll to the correct date/assignment you may have missed.
- Late work earns half-credit. You have **five days** to make up late work. After five days from the original due date I will **not** accept the assignment. An unexcused absence will not enable you to make up work!

Extra Credit/Extra Help: Generally, it is not my policy to give “extra credit.” Extra help can be obtained by arranging an appointment with me before or after school.
