## **CMHS NEWS**

April 10, 2019

### **Principal Haro's Corner**

Good Morning,

We are currently finishing forecasting; if students have not brought in their forecasting sheet, please do so by the end of the week. The next step in the process is to make the master schedule, and then I will schedule students for next year.

Our mock interviews were a great success! Mrs. Hohnstein did an amazing job putting together this large event. We had over 30 volunteers from the community interviewing our seniors. The purpose of mock interviews is to give our seniors a practice interviewing with successful people in the field they are thinking about pursuing. The interviewer gives them positive feedback and tips to help them in future interviews.

We have been moved in our newly remodeled office for a full week. We want to thank the community for supporting the bond to upgrade the building and give our students a beautiful school!

Sincerely,

Marci Haro

## **BOOSTER CLUB NEWS!!!**

There is a booster club meeting at 6:00pm at the elementary campus tomorrow, Wednesday the 10th. We will be discussing membership and nominating board positions for both the elementary board and the MS/HS booster board. This is a very important meeting. There will be refreshments and door prizes. Please come and learn about the Crow Booster Club and all that it does. We really need parent involvement to keep this group doing great things for our students. Bring a friend and family members. See you there!

# ***Great News about the Applegate Panthers!***

From Principal Aaron B. Brown

## **Congratulations to our latest Perfect Panthers!!**

These two students performed extra special this last week. Keep up the great work!

### **From 2nd Grade: Griffin Foltz**

Griffin is our Shining Panther because of how respectful he was last week when we had a guest join our classroom for our Artist in Residence Project. While Mrs. Linda was teaching us all about acting, Griffin was an amazing role model. For example, when we were using our 'loud' voice he was very appropriate and not screaming. When she had us acting out scenes he was aware of his surroundings and calm with his body even though we were dancing and hopping around. When she asked the kids to grab a partner he used kind words and offered to take turns.

Griffin has been working so hard on being a good self-manager and learning when it is appropriate to be silly versus when it is time to buckle down and work hard. He has been accomplishing this goal very often lately, and even without reminders. I am proud of him for owning responsibility of his actions, being such a hard worker, and treating a guest in our school with so much respect! Keep it up, Griffin!

-Mrs. Barrong

### **From 6<sup>th</sup> grade: Jackson Manske**

In the last few weeks I have been constantly hearing positive stories about how well Jackson does around the school. He has really matured this year and is often the first person to be requested for 6th Grade jobs around the school. I have heard wonderful thing from both teachers and support staff alike.

I am nominating him this week because he is the only 6th Grader to have EVERY assignment turned in on time. It is a lot of work to manage all of the things we have going on in our classroom, so it really speaks to Jackson's dedication to doing a good job that he works hard to get it all in. To say that I appreciate his effort is an understatement. He sets such a wonderful example for his peers. I know that these habits will carry him to the farthest reaches of whatever he sets him mind to!

Thank you so much for being you!

--Mrs. Bloom

# Applegate Project Based Learning Activities

I found out last Friday that the Jump Rope for Heart has changed its logo to Kids Heart Challenge. The kickoff event happened last Friday and we plan to have our Jump Off on April 18<sup>th</sup>. This fundraiser raises money for the American Heart Association. The students learned how to take great care of their bodies, namely their hearts, and how their donations go straight to families who may need financial assistance when faced with heart conditions and costly surgery. All of the money raised stays in Oregon and often will be donated directly to OHSU in Portland.

## PBIS Activity

Our activity this quarter is dancing. Mr. Robertson, D.J. extraordinaire, will be playing tunes and parents are invited. This will take place on Wednesday, April 17<sup>th</sup> beginning at 12:30 pm.

# The Emeralds and Smokey the Bear will visit Applegate

The Eugene Emeralds will be at the school on Wednesday, April 17<sup>th</sup> to kick off the Home Run Reading Challenge.

Smokey the Bear will be in the building on April 22<sup>nd</sup> to visit the first grade and discuss fire safety.

## Lorane News

Another great Talent Show and grange Open House at Lorane Grange Sunday afternoon. Thirty-three enjoyed four talented entertainers: long time Lorane entertainers, Kyle & Jim; six-year-old Banjo freestyle dance; amazing almost six-year-old Jillian McGladrey sings with her Dad accompanying her on guitar and fantastic Crow HS Junior Cooper Morris. Little Banjo had her artwork displayed in the kitchen. Special Thank you to Barbara Dare as MC.

Outstanding Community Service Awards were presented by the Grange prior to several very deserving people: Jim and Pat Edwards; Tara Wigle; Larry and Donna Moore; Heidi Langstraat; and Josie Skeers. All have given so much to our community. Pat and Jim have decades of giving to our community and schools in the district.

Thank you to all who came. See everyone next year, bring your talent.
