May 22, 2019

### **Principal Haro's Corner**

Good Afternoon,

I am watching it rain as I sit and write one of the last Buzz articles for the year. It is the end of May and the weather feels like October. The year has gone by so quickly; it is an honor to work with the staff and students at Crow Middle/High School. Each student is amazing and has something to offer the world.

We had an amazing spring sports banquet last night. Unfortunately, Coach Jim was not feeling well and had to post pone his portion of the banquet. The baseball awards will take place tomorrow evening at 6:00 in the cafeteria. It is always wonderful to see so many people from the Crow School Community supporting our young student athletes. For many of our students last night was very bitter sweet; it was their last sports banquet for their high school career. All of them can be very proud of how well they perform athletically and represented Crow. We will miss our seniors next year and will have very fond memories of them.

We are wrapping up state testing in science and math this week and will have results as soon as the state releases them. It is important to make sure your student gets plenty of rest so they are ready to come to school and work hard. Our wonderful lunch ladies Ashley and Brenda make sure students get breakfast and lunch every day; so if your student is at school by 7:45, they can get a warm breakfast to start their day.

We have a lot of activities coming up in the next couple weeks of school. Please check out our Facebook site for pictures and any last minute updates. Also check the calendar on the Crow district web page.

Following are two pictures from the sports banquet last night and two from our State Track & Field Meet where we had a number of athletics' medal

Marci Haro

### **Upcoming Events**

**Friday, May 17<sup>th</sup> ½ Day—Progress Reports**

Friday, May 24<sup>th</sup> ½ Day—In-Service

**Monday, May 27<sup>th</sup> No School—Memorial Day**

Madison May 11th in 800m  
6th in 4x400m relay  
Jacob Breeding, Ethan Clark, Shawn Recca, And Kody Roberts

## **Spring Football Warmups**

**Every Tuesday, Wednesday and Thursday starting at 3:30. This is for everyone interested in playing football next fall.**

## **FFA & AG Field Trip**

On Thursday, May 9th, the Crow FFA members and the 7th grade Intro to AG class traveled to Mohawk High School to take part in a Forestry/Natural Resources CDE and learning event. Our students competed as beginners as we were learning on the fly. Students learned how to use a clinometer and special measuring tape for calculating board feet in a tree for the timber cruising event. Students were also taught how to use a compass and measure degrees for the Compass and Pacing event. Other areas were the Plant Identification, Forestry Tools Identification, and Forestry General Knowledge Test. Weyerhaeuser was present to talk about all the jobs available in Forestry, gave away goodies and provided lunch and prizes for individual winners.

# ***Great News about the Applegate Panthers!***

From Principal Aaron B. Brown

## **Congratulations to our latest Perfect Panthers!!**

**You make everyone Proud!**

### **From 1<sup>st</sup> Grade: Olivia Axling**

Olivia is a perfect panther for many reasons. She is an awesome first grader!

One of the things I appreciate most about Olivia is her positive, cheerful attitude. Every day she comes to school and checks in with a smile, a hug and a friendly good morning. At Team Time she actively participates the whole time no matter what the song is or who is leading Team Time that day. She always looks like she is having fun. In class Olivia is very engaged and enthusiastic about what we are learning. She listens carefully to instruction, participates in class discussions, asks thoughtful questions, and shares her knowledge with her peers. When we are working in groups, Olivia works happily and cooperatively with everyone in our classroom. If someone is upset or having difficulty with something, she is there to offer help and an encouraging word. Olivia is well liked and respected by her peers because of her amazing attitude and her kind and caring nature.

Olivia is the kind of student who finds the bright side of every situation. We are so lucky to have her in our classroom!

-Ms. Ledgerwood

### **From 5<sup>th</sup> Grade: Braeden Sledge**

The 5<sup>th</sup> and 6<sup>th</sup> grade classes had outdoor school last week for the first time since I have been teaching at this school district. There were a lot of things we didn't know about. We didn't know what we were going to learn. We didn't know that it would rain all day every day. We didn't know that tics would be attacking us.

Braeden usually doesn't like dealing with things that are a surprise. Changes can bother him as they do for a lot of us. However, Braeden was a champ the entire time. He walked away every day with a smile on his face and was excited to go back the next day.

Even when he found out after he got home that a tic had attacked him, he came to school the next day ready to go and have some fun learning in the great outdoors. Even his camp counselor and group leader were impressed with his attitude and willingness to participate in the activities.

I am so proud of Braeden for his positive attitude and willingness to try. He made outdoor school fun for me and everyone else he was around. Thank you Braeden! You are awesome, and that is why you are this week's Perfect Panther!

-Mr. Robertson

# Outdoor School

The 5<sup>th</sup> and 6<sup>th</sup> grade classes participated in outdoor school at Camp Wilani last Monday, Tuesday, and Wednesday. They learned a great deal during this adventure in the woods, and impressed others with how well they acted and performed. The Camp Wilani staff took notice and informed us that our students were the best participants they had visit and would like to invite Applegate back for other activities in the near future.

**Friday, May 24<sup>th</sup>**

**Halfday/Professional Development**

Elementary students will be released at 11:50 am and high school students at 12:00 pm.

The Rural Art Center will be hosting art lessons at Applegate from 12:00 to 3:00 pm. Paint with acrylics on wood with Esteban Camacho Steffensen, the public mural artist.

**Monday, May 27<sup>th</sup>**

**★ BOOSTER BUZZ ★**

It's back again....The 16<sup>th</sup> Annual Crow Car Show will be on July 13, 2019. Pre-registration is open! We are so excited to bring back the free pancake breakfast, all day raffles and an activity filled Kidzone and of course our amazing cars. We are still in search of volunteers and donations. Please contact Marissa Cooper 541-517-6608 for more information.

Thank you so much for your Support!
